## HIGH SCHOOL GRADUATES PASS

The Anadarko High School graduates who took the county teacher examination, all passed and are now on the list with the school teachers. This surely proves the good work done by a bunch of first class teachers. Never before has the Anadarko High School made a better showing than it did last year. When one of these graduates face a school board with a county certificate and a diploma from a first class four year High School it will add much to encourage their employment. Some of the grades on these certificates are equal to those on the first grade certificates. These graduates have a right to be proud of their papers and Anadarko has just as good a right to be proud of her schools.

The bag worm seems to be getting in its work on the trees much earlier than before.

HATS! hats! cheap. Mme Smith's.

Miss Laura Ray went to Apache where she will look after a school. Miss Ray is a graduate of the Anadarko High School of the 1914 class and will no doubt make an excellent school teacher.

## COUNTY COURT

The County Court on July 10th heard the following preliminaries: State vs John Gray, charged with assault with intent to kill Peter Brandley. Both parties living in the north east part of the county there was a large delegation of friends from that district present at the trial. The case took up the greater part of the day. The defendant was held by the county court to appear in the district court. His bond was fixed at \$500. His neighbors made his bond for him.

After this case the hearing of W. R. Lambeth of Apache, who is charged with assault to do bodily harm, was called. This case is one where Lambeth is said to have hit small boys who were picking mulberries from limbs hanging over the line of Lambeth's property. This case was also closely contested and resulted in Lambeth being held over under same bond for ten days to await the action of the county attorney.

Grover Cleveland came up from Ft Worth, Friday evening. He stopped off at Medicine Park for a few days before coming on to Anadarko. Grover is holding down a good job with the Walker Shoe Co., in Ft Worth.

## CHRISTIAN S. S. PICNIC

Robert Gass and G. I. Grose, close, Meadames Davis, Gass, Lower, Waters, Wright, Demoree, Graham and Brown escorted the entire Sunday School of the Christian church four miles to the bridge on the W. W. Wood farm east of the city, Friday, where they thoroughly enjoyed a picnic. There were one large hay wagon and two wagon boxes full of merry makers. The woods were cheering and the games were many which made the boys' and girls' hearts glad.

When it was time to eat there was plenty for all and then some. Ice cream and cake showed up in big bunches for all. It was a happy day for the boys and girls. The older people were quite tired yet glad to have been able to assist in the jolly time.

## BOY SCOUTS

The Boy Scouts went out on a hike Friday evening. They all met at the home of Dr. Nance where they formed in double file and struck march for the Rev. Farrington farm west of Anadarko. The march was a lively one and the cheerful cries from the line of march could be heard for blocks. All carried their blankets and hard tack. After locating camping grounds in the pasture and supper eaten, all joined in fishing. Murton Baldwin and Ollie Lamborn were the only ones who were successful in gigging a fish. This was devoured for breakfast. Besides fishing the Scouts joined in games. One boy spied a cow that supplied them with milk for their coffee. There were three camp fires that cooked their supper and breakfast. At 3:30 Saturday morning the bugle call was heard, the call being for a swim. All joined. From there they marched home, well pleased with their hike.
